Re: Instructor Status and the TNCC 6th Edition Instructor Update

Dear Instructors,

We are coming to the end of the new 6th Edition Instructor Update period. To those who have attended I thank you and hope you are finding teaching the new edition enjoyable.

I wanted to take this opportunity to remind those of you that have not attended an update session that as of **May 1, 2008 if you have not successfully completed an update session you will no longer be able to teach TNCC.** After May 1, 2008 there will be no further 5th edition classes approved by the national office. You are not allowed to teach the 6th edition course until you have attended and passed a 6th Edition Instructor update. We have been having update sessions all over the state. We still have sessions available before the deadline of May1, 2008. The schedule for the time remaining is as follows:

<input type="checkbox"/>	3/7/2008 @ Sacred Heart Hospital in Pensacola	<input type="checkbox"/>	3/15/2008 @ Leesburg Regional in Leesburg
<input type="checkbox"/>	3/20/2008 @ Sacred Heart Hospital in Pensacola	<input type="checkbox"/>	3/29/2008 @ Orlando Regional Medical Center
<input type="checkbox"/>	3/30/2008 @ Lakeland Regional in Lakeland	<input type="checkbox"/>	4/9/2008 @ Sacred Heart Hospital in Pensacola
<input type="checkbox"/>	4/12/2008 @ Advanced Learning Center @ USF/ Tampa	<input type="checkbox"/>	4/13/2008 @ Health Central on Ocoee
<input type="checkbox"/>	4/21/2008 @ Sacred Heart Hospital in Pensacola	<input type="checkbox"/>	4/26/2008 @ Leesburg Regional in Leesburg

There is a registration form on the webpage, so you can register for an update class. Please do not wait until the last minutes as the space in the classes is limited. I would hate for you to plan on coming to a session only to find out it is full. You should have received a CD rom disk with Day One of the update on it. You will need to have reviewed the disk prior to coming to the Update session. When you send in your registration form with your check I will send you a Provider Manual.

Please note if you have not been re-verified as a provider in the last four years and you lose your Instructor status your provider status is lost as well. Please make sure you attend a 6th Edition Instructor Update before May 1, 2008. Each of you is valuable to us and we don't want to lose any of you as instructors. If you have concerns or problems please feel free to contact me. via e-mail at, highball5@earthlink.net or by phone at (352) 323-5555 or (352) 516-1065. You only have ten more sessions so please act quickly.

Sincerely,
Linda Ball, RN, BSN, CCRN
