

TNCC

Instructor Update - 6th Edition

This update course for Instructors and Course Directors is designed to familiarize you with the changes in the lecture material / core content, the psychomotor skill stations, and testing requirements of the latest edition of TNCC. The following will be required to successfully complete the update.

1. Viewing the Roll Out update disk provided to you. This must be done prior to attending an update (This takes the place of day 1)
2. Attending the entire course.
3. Scoring at least 80% on the 50 question written exam.(The test will be given at the start of the session)
4. Demonstrating an understanding of the performance standards associated with Trauma Nursing Process, Airway and Ventilation, and Helmet Removal /Splinting skill stations.
5. CECH will be awarded to each participant on completion of the course..

If you have any questions call: Linda Ball RN, BSN, CCRN @ (352) 323-5555
