Award Criteria:

Nursing Education Award

Honors an emergency nurse who has made significant contributions to the education of colleagues, nursing students, personnel, patients, or families through the education and/or publication of articles – formally or informally – in schools, facilities, hospitals, nursing textbooks, or the development of a specific emergency-nursing curriculum.

- Educational expertise in emergency nursing or EMS in roles such as mentor, preceptor
- Performance beyond job expectations in developing educational programs/instruction for nursing students, patients, or families, and/or EMS personnel.
- Emergency nursing expertise through publications in nursing journals or textbooks; and/or at educational meetings with excellent evaluations; or the development of a specific nursing curriculum.
- Two letters of support
- ENA membership

Leadership Award

Recognizes an emergency nurse who consistently demonstrates leadership within the association, demonstrates high professional behavior, and has contributed to the professional status of emergency nursing.

- Demonstrates leadership within the association that has contributed to the professional status of emergency nursing.
- Encourages professional development and provides motivation through role modeling
- Recognized by peers as a leader
- Two letters of support
- ENA membership

Nursing Practice Award

Honors an emergency nurse who exemplifies outstanding nursing practice as demonstrated through clinical skills and compassion.

- Demonstrates emergency nursing knowledge through performance of consistent high-level care and compassion to patients and significant others.
- Evidence of quality of care improvement through implementing the ENA standards of Emergency Nursing Practice
- Performance beyond job requirements in rendering patient care

- Participation in nursing programs, committees, or projects contributing to emergency nursing
- Two letters of support
- ENA membership

Distinguished Service Award

This award is presented to an emergency nurse who reflects a career of dedicated service, accomplishments, and contributions to emergency nursing

- Sustained accomplishments affecting emergency nursing
- Demonstration of service or commitments beyond job expectations
- Progressive leadership and personal ideals which have advanced the field of emergency nursing
- Inspiration and vision to promote the evolution and ongoing dynamic of emergency nursing
- Contributions that have affected the profession within the community, region, or country
- Two letters of support
- ENA membership

Chapter of the Year Award

Recognizes a chapter for significant contributions toward Florida ENA through a project or improvement of the chapter

- Development of a project or program that has a positive impact on the chapter or FENA
- Significant increase in membership
- Significant increase in number of members with BCEN, TNCC, ENPC credentials
- Contributions that have affected the profession within the community, region or state.
- Two letters of support
